OUR SERVICES

HOLISTIC CAREER COUNSELING

At AM Consulting, we work with our students to identify their career goals. Our expert counsellors help our students understand their strengths and weaknesses, enlighten them about the best available career options, and assist them in securing admission to well ranked universities abroad.

TEST PREPARATION

We offer online test preparations for GRE, GMAT, SAT, IELTS, TOEFL and DUOLINGO for our students. AM CONSULTING offers coaching, along with a complete set of study materials, and mock tests. Our experts will be there to teach and answer all your questions.

SHORTLISTING OF UNIVERSITIES

Thousands of colleges, universities and schools worldwide offer numerous degrees, diplomas and courses. It can get incredibly confusing and daunting for any student.

At AM Consulting, we understand the students' aspirations and help them select the universities best suited to their career goals.

DOCUMENT PREPARATION

We work with our students to draft crisp SOP's and Essays that genuinely reflect the students' life journey. We also assist our students in understanding the points that should form a part of their LOR's, so they can communicate the same to their referees.

Resumes are extremely crucial to the application process. Therefore, we guide our students in developing strong resumes. Our team meticulously creates a timeline of the student's career and then prepares all these documents.

APPLICATION PROCESS

As a part of the application process, we advise our students to apply to multiple universities abroad. Each university and program has precise application requirements, which can get daunting for many students. At AM Consulting, we provide personalized attention to the application process of each one of our students. We keep track of all application deadlines and other university-specific requirements that our students need to fulfil for a successful application.

FINANCIAL PLANNING

Education abroad is a substantial financial investment, and we understand that more than any other consultant out there. AM Consulting works with the students and their parents and helps them plan their financial strategy. We have tie-ups with various financial institutions, whereby we help our students secure education loans at competitive rates. We also assist with ticketing, insurance and forex requirements.

INTERVIEW PREPARATION

Several universities conduct personal interviews with students as part of their application process. At AM Consulting, we conduct mock interview sessions with our students, preparing them to ace these interviews.

VISA APPLICATION

Once our students secure an admission to their dream universities, they have one final hurdle to clear before they realize their dream of studying abroad. i.e. getting their student visa. AM Consulting handles the complete student visa application process. We hold multiple rounds of mock interviews with each of our students. Our meticulous counselling process has ensured an outstanding visa success rate for our students.

ACCOMMODATION

We believe that students should sort out their accommodation before landing in the destination country. AM Consulting works with multiple accommodation partners worldwide that specialize in student accommodation. We help our students select comfortable accommodations based on their budgets and proximity to their universities.
